Subject: Records Management Interagency Coordinating Council's Biennial Report

Ladies and Gentlemen:

The Records Management Interagency Coordinating Council (RMICC), consisting of the Attorney General, Comptroller of Public Accounts, State Auditor, General Services Commission, Department of Information Resources, State Library and Archives Commission, and Secretary of State, is required by Senate Bill 366 of the 74th Legislature to report on records management issues.

Enclosed is a copy of the RMICC's report on the implementation of Senate Bill 897 of the 75th Legislature, concerning the status of telephone directory blue pages and the findings of the RMICC's Electronic Records Research Committee. Please call on us if you require further information on the findings included in this report, or if you have any questions about the report's recommendations.

Sincerely,
